Dear Cat Country,

I would like to take a few moments to thank you for your support and results we have noticed. It has been a pleasure forming a relationship with you over the last three years. Your entire organization is very professional and easy to work with.

We know advertising with you works and can notice a difference in our attendance on nights that you sponsor. We survey our fans as to where they hear or see our ads and Cat Country is regularly near the top.

I would definitely recommend Cat Country 98.7 to other companies to help get their message across to your listeners and potential customers.

In addition to the FM Cat Country station, all of our games are broadcast live on your AM station, AM1620. This has been another plus and enjoyable experience for us.

We look forward to continuing and growing our relationship in the future.

Sincerely,

Jason Libbert
